

Summer Policies, Terms & Conditions: Residential Programs

General Expectations and Standards

Traveling Players Ensemble, Inc. is committed to ensemble values of **collaboration, inclusiveness, equality, mutual respect, and teamwork. We expect students to support, encourage, challenge, and inspire each other in a safe environment.** Traveling Players will dismiss any student who exhibits behavior that, in our sole discretion, is unsafe, or disrupts or distracts from the educational mission of the program.

The following are absolutely not permitted by participants in Traveling Players Ensemble in-person programs: (1) leaving the campus or staff supervision without permission, (2) bullying or harassment, (3) theft, vandalism, or misuse of property, (4) sexual intimacy, (5) the use and/or possession of illegal drugs and/or alcohol, or (6) the use and/or possession of any tobacco products; vaping (also known as juuling) and vape pens, juuls, pods, cartridges, or containers of vaping or juul liquid of any kind; marijuana; and nicotine products. Violations will lead to dismissal and tuition is not refunded.

Throughout all Traveling Players programs, there is a zero-tolerance policy for bullying or harassment in any form, including but not limited to cyberbullying; hazing; physical or emotional abuse; racial, ethnic, gender, or sexual discrimination; or sexual harassment. Participants who engage in bullying or harassment will be dismissed from their program without refund and prohibited from participating in programs in the future.

Challenging Curriculum

Our goal is to provide an outstanding theatre experience for children and young adults that will contribute to their maturity and foster a lifelong love of both theatre and the outdoors while meeting rigorous artistic and educational standards. Traveling Players Ensemble's programs are physically, emotionally, and intellectually demanding, and therefore not appropriate for all students. If you have concerns about whether the program is appropriate for your child, then please call the office at (703) 987-1712.

Equal Opportunity

Traveling Players Ensemble, Inc. does not discriminate on the basis of race, color, religion, creed, sexual orientation, gender identity, national origin, age, or disability in the administration of its admissions or employment policies. If Traveling Players Ensemble reasonably determines that a disability or condition could lead to an inappropriate level of danger to the individual or others, based upon a particular activity, then that person may be ineligible for that particular activity or program, but would not be excluded from other opportunities offered by Traveling Players Ensemble.

Proper Conduct/Representing Traveling Players

As a Traveling Players program participant, you represent Traveling Players while at camp, in Tysons Corner Center, on tour, at performance venues, and at any other program site. Therefore, Traveling Players participants are expected to uphold respectful behavior and proper conduct, as outlined in this

document, while spending time in the general vicinity of, or traveling to and from, Traveling Players camp location, Studio, tours, performance locations, or any other program site. For instance, our general expectations and standards should be upheld while traveling to and from camp, and at all times while on the grounds of camp. Actions on behalf of the program participant that would reflect poorly on Traveling Players (including but not limited to anti-social behavior, trespassing, vandalism, stealing, and alcohol or drug use) are grounds for immediate dismissal from camp without refund.

Health Statement

This program involves participation in outdoor activities that are, by their nature, physically, mentally, and emotionally demanding. Therefore, all participants must be free of medical or physical conditions which might create undue risk to themselves or to others who depend on them. If there is any doubt whatsoever about your child's ability to safely participate in an activity, then you should have a physical examination by a physician and call the office to discuss if the activity is appropriate for your child. We may require a physician's consent as a precondition for participation or a contract that limits the activities in which your child can participate.

The following describes some, but not all, of the possible program demands:

- Understanding heightened classical language.
- Collaborating with peers artistically to tell complicated and emotional stories.
- Hiking steep inclines/declines with a backpack after dark.
- Sharing a lodge/tent with peers.
- Hiking inclines for multiple hours.
- Spending the majority of the day outdoors, with access to shade and water.
- Carrying heavy objects, either individually or as part of a team.

All students, staff and faculty at Traveling Players are required to be fully vaccinated for COVID-19 before arrival at camp. If there is a medical reason that a student cannot be vaccinated for COVID-19, then please contact the Camp Director to see if we can safely accommodate your child.

- Prior to arrival at camp, if any member of your household or any one of your close contacts show symptoms of or tests positive for COVID-19, please call the Camp Office at 703-987-1712 immediately.
- Students who test positive for COVID-19 cannot attend camp. Withdrawals or dismissals from camp due to COVID-19 (either before or after the first day) are treated the same as withdrawals for any other reason - all tuition paid is fully non-refundable.
- We reserve the right to dismiss any camper with COVID-19 symptoms. We reserve the right to dismiss any camper who is unable or unwilling to comply with COVID-19 safety guidelines as directed by our staff.

Authorization for First Aid

In the event of illness or injury, I authorize Traveling Players staff members to administer first aid, obtain assistance from EMT's, doctors and/or nurses for medical, surgical, or any other appropriate treatment for my child. I understand that Traveling Players and its staff cannot

assume responsibility for medical expenses incurred as a result of his/her child's participation in educational programs.

Guest and Visitors

Due to COVID-19 restrictions, parents/guardians, family members, guests or visitors are NOT allowed to explore the campus or enter any campus buildings. On Drop-Off and Pick-Up days, family members/guardians agree to NOT enter campus buildings.

Cell Phones and Other Electronics — TPE is UNPLUGGED!

Cell phones, iPods, mp3 players, kindles, smart watches, fitness trackers, other Bluetooth devices, etc. are NOT allowed at camp. Your child is allowed to bring these items with him/her, but must give them to our staff when they arrive at camp. We will keep them safe, make them available at our discretion, and return them at the end of camp.

- Some personal electronics (for instance, a single-function white noise generator for kids with sleep disorders) may be acceptable for use at camp. **Please contact the office to check in with us before camp.**
- Campers with standing therapy appointments will, of course, be able to attend those using their phones. Campers who are starting college this year will have access to their phones for the purposes of registering for classes, filling out their paperwork, etc.
- Parents, family members, and friends are encouraged to write letters/postcards to campers. An address will be provided.
- If there is a family emergency, please call the Camp Office at 703-987-1712. We will make sure your child, as well as his/her staff members, are up to date with anything that's going on.
- If there are issues related to your camper while at camp, expect a call from the camp office. We will make sure you are up to date with anything that's going on at camp.

Photo Release

As the parent/guardian of the applicant, I grant Traveling Players Ensemble, Inc. the right to use images and likenesses of my child, myself or my family, whether on film, video, broadcast, electronic media or other format, for publicity, marketing, or any other purpose which Traveling Players Ensemble deems appropriate.

Arrival and Departure from Camp

Parents/guardians are responsible for their camper's timely arrival at the camp location on the day and time that the camper's session starts. Parents/guardians are responsible for promptly picking up the camper at the camp location on the day and time that the camper's session ends. Only authorized individuals may pick up campers. Traveling Players will not provide transportation to/from camp; it is the parent/guardian's responsibility to make arrangements and pay for transportation.

Clothing and Equipment

Parents/guardians are responsible for providing proper clothing, footwear, and equipment as outlined on the downloadable “Packing List” on the website. This includes, but is not limited to:

- Closed-toe shoes. When you go into the real woods, you need real shoes. Sneakers are good; hiking boots are better, especially if they extend above your ankle. Shoes should enclose the toes and give support. Exception: you can wear Keen sandals if they are the kind that **enclose your toes** and give support (must have a heel strap).
- Water shoes for lake swimming and boating. **Not flip-flops or sandals.**
- Clothing that fully covers the performer and allows her or him to move freely, bend, stretch, climb without undo exposure.
- Rain gear.
- Sleeping bag.

Use of Traveling Players Name and Logo

Use of the Traveling Players Ensemble, Inc. name and/or logo should not appear on any internet site that directly violates or represents a violation of any Traveling Players policy. Traveling Players reserves the right to ask for the program’s name or logo to be removed from any site that is not in line with the mission or values of Traveling Players’ programs.

Participants known to have used the logo or name without proper permission will be removed from their program without refund and prohibited from participating in programs in the future.
