OUR MISSION

Founded in 2003, Traveling Players Ensemble is an educational theatre company serving over 1,100 students annually from the Washington, DC metro area in grades 2-12.

Our mission is *to enhance self-expression, self-awareness, self-reliance, problem-solving skills, and heighten appreciation of life's challenges and beauty by bringing great theatre into the great outdoors.* Our mission reflects the earliest origins of theatre, when traveling minstrels and theatre troupes roamed the ancient and medieval countryside, relying on the barest props and the boldest imagination to convey their art.

Our goal is to provide an outstanding theatre experience for young adults that will contribute to their maturity and foster a lifelong love of both theatre and the outdoors while meeting rigorous artistic and educational standards.

Happy campers since 2003? 8,532 and counting!

OUR PROGRAMS

Summer Camp & Conservatories – Our flagship program is nationally and locally awarded. A unique outdoor performance camp that provides intensive theatre training to small troupes of actors. Students camp out, rehearse, and perform outdoors.

As part of Shakespeare Troupe, students “take their show on the road” – with a backpacking trip to perform in beautiful and historic places, like Shenandoah National Park and Colonial Williamsburg – cultivating stronger, more adaptable, and more capable artists and individuals.

Classes – During the school year, Traveling Players continues the training of its students through classes and performance opportunities at our Studio in Tysons Corner Center (Tysons-1 mall).

Girl Scout Theater Badges – Our “Make Your Own” Theater patch provides acting training to Junior scouts that meet badge requirements.
